VISUS USA and Calgary Scientific Inc. Medical Group Announce Agreement to Distribute ResolutionMD™ Family of Advanced Visualization Software Applications

VISUS USA, a Net.Orange Company adds ResolutionMD advanced visualization functionality to its medical imaging solution offering

IRVING, TX and CALGARY, AB, November 22, 2007 – VISUS USA LLC., a provider of PACS (picture archive and communications system) solutions to hospitals and imaging centers and Calgary Scientific Inc. Medical Group, a leading ease-of-use provider of advanced visualization and analysis software solutions, and a business unit of Calgary Scientific Inc. (CSI), today announced the signing of a North American sales and distribution agreement. VISUS USA will now offer the ResolutionMD suite of advanced visualization applications in conjunction with its VISUS JiveX PACS solution.

“We are pleased to be working with Calgary Scientific Inc., Medical Group,” stated Tom Borger, Vice President of VISUS USA.” They have demonstrated an unmatched ability to bring exciting new advanced visualization products quickly to market and are deeply committed to working with partners.”

“VISUS USA is poised to be a leading solution provider in the North American PACS market. Building on the success of VISUS’ JiveX product line in Europe, VISUS USA brings a set of proven, comprehensive imaging solutions to the marketplace,” said Bryon Osing, CEO of Calgary Scientific Inc. “Our focus on providing OEM partners with advanced visualization capabilities across multiple architectures is a perfect fit with the flexible JiveX platform and we look forward to a long and mutually beneficial relationship with VISUS USA.”

JiveX with ResolutionMD advanced visualization capabilities is available immediately from VISUS USA.

About VISUS USA LLC

Founded in 2006, VISUS USA is a Joint Venture by the North American company Net.Orange and the German company VISUS Technology Transfer with sales partners across Europe, the Middle East and China. VISUS-USA started selling its JiveX PACS product line in North America right after gaining FDA approval and is aiming to become one of the Top 10 players in the US PACS market by 2010. To ensure its leadership the JiveX product line is consistently being improved. For more information, please contact sales@visus-usa.com or go to www.visus-tt.com or email info@ndorange.com
